SUBJECT: EFFECTIVE DATE OF UNDERPAYMENTS

The following TANF policy change was adopted at public hearing on October 27, 2004 and is **effective November 1, 2004**.

If changes **are** reported timely, the effective date of the underpayment is the actual date the change occurred; OR

If changes **are not** reported timely, the effective date of the underpayment is the date the change is reported by the assistance unit or the date the change is discovered by the Welfare Division, regardless of when the change actually occurred.

Clarification to the TANF State Plan is being submitted to the feds and a policy update will be in E&P's next quarterly MTL release.
